Mrs. Nancy has been quite busy for the last three weeks preparing visuals for our summer children's revivals. She has three more weeks to go, so please uphold her in prayer that she will be able to carry on physically. Also please pray that the Lord will give her great ideas to make the principles of God's Word clear to the boys and girls. By the time you receive our next letter we will be in our first children's revival of this summer at The Tabernacle Baptist Church in Greenville, SC with Pastor Melvin Aiken. The dates for this meeting are June 7 - 11. Our second meeting will be June 14 - 18 at the Bible Baptist Church in Pickens, SC with Pastor Mark Dibler. We had a cancellation this summer and so we have a week open in early August: call us if you are a pastor who would be interested in a children's revival at your church.

Fone Evangelism/Bible Clubs Update

Our counselor had a good call from a 17 year old boy in NC. Ben attends a Christian school, but had gotten into pornography and then became intimate with a young lady. One day as he was visiting his grandmother, he heard our radio program for the first time. When the program was over, he called our counselor and poured out his heart to her for a half hour. As you can imagine, he was having doubts about his salvation along with other worries. His heart was opened and he wonderfully accepted God's forgiveness for what he had done and determined to change his behavior with the help of our Wonderful Lord. Please join us in prayer for him. Another lady name Anni prayed to receive Christ as Savior while listening to the Children's Gospel Hour: she was also from NC and needs our prayers. A lady from WV heard us for the first time during their bad snow storm and called seeking spiritual help.

She lives 100 miles from any fundamental church and is having a difficult time speaking out for God without friends to encourage her. We have asked one of our counselors to keep in touch with her by phone and that is working well. (Our counselor now has two ladies that she is helping.) We decided to dial into Greenwood, SC and have had the joy of leading a lady to Christ there. Another young man had moved from Charleston, SC where he had been in a good church and Christian school. It was there that he had accepted Christ at age eight. He and his mom didn't know where to go to church in this new city and had gotten quite discouraged. He was so excited to talk to someone who believed like he did. We were glad to send him some literature that will help him in the Word and, we also recommended a fundamental church for them to attend. The Lord has given us

the privilege of leading six boys and girls to Christ in our New Life Clubs. Four of these were new visitors who have been coming every week since coming to Christ. The other two had been coming for some time, and the Lord began to deal with their hearts as to their lost condition. Praise the Lord, now their salvation is settled. Please pray that the attendance will hold up as the weather warms up, and pray for the Lord to continue to work in hearts.
