The Lord gave our ministry a wonderful opportunity to help bring a man to Christ. The phone rang at 3:30AM (that's right, AM not PM). Of course our counselor was sitting up just waiting for such a call, and you know that is not true. Her husband got up to answer the phone and heard a young father from NC tell him that God had been dealing with him about his soul for some time. At around 3AM the Lord placed on his heart to turn on the radio and he heard our program. Writing down the toll-free number given at the end, he immediately called, and at around 4:30AM Jammie entered the family of God by faith. Geoff, our counselor's husband, was so excited: he said that his week was made, even though he was a little groggy the next day. We also spoke again with Marion Higgins from Rhode Island who listens to us at 5:30AM. Marion is still lost, but she continues to call asking for prayer about her loneliness. Please pray for Marion that she will find the most wonderful Friend ever.

Summer revivals 2011 are already under way: we finished our first revival at the Temple Baptist Academy in Anderson, SC. The children were very sweet, well behaved, and very responsive. A number of them raised their hand at the invitation to say that they had prayed with us to receive Christ into their heart. We told them to speak with their teacher that day and that she would counsel them. As yet, we have not had a report on how many came to Christ for the first time. Below please find our full schedule for the rest of the summer. Please pray for us and come visit us at a meeting if you are able.

Praise the Lord for:

1. A wonderful year of New Life Clubs with 46 children coming to receive Christ as Savior. Our clubs ended well with a good number of faithful children attending right to the end. Please help us to pray for these children: especially for the older ones who will be going on, Lord willing, to teen ministries.

2. A well beloved Christian man in Anderson, SC, who recently went to be with his Lord. His sister said that he always told of coming to Christ through the Fone-Ev. ministry. He received the Fone-Ev. card at a children's revival 40 years ago.

3. The charts being done. After two months of hard work, Mrs. Nancy finished our summer visuals just in time for our first revival.

Pray for:

1. Our Fone-Ev. counselors who give of themselves week after week to be a help to those who call from all over and occasionally, at unusual hours.

2. A great summer of reaching souls for our Lord Jesus Christ, and a safe summer of travel for Nancy and me.

Wonderful ministry opportunity

Plan to pass out some 1-888 Fone-Ev. cards during your VBS. Call us at the above number or e-mail us at bmason6@bellsouth.net
